Lauro PP is a homozygous polled sire with an alternative pedigree for polled breeding, whereby the cow family goes back to successful Swiss cows and the former national winner Babels Vinozak Diva. Lauro himself convinces with a solid performance with high components, positive fitness values and a very good conformation with excellent udder transmission as well as a lot of frame and length. Lauro also has the top casein combination A2A2 and BB and a rare aAa rating of 651.
