AGRO PP is a new, homozygous polled BS sire that goes back to the famous Starbuck Alaska EX 91, which achieved an LL of 145,451 kg of milk in 16 lactations. Agro PP impresses with high ingredients, very good milkability and high persistence. In addition, there is excellent daughter fertility, average to easy births and a functional exterior. The offspring will be medium-sized, late-maturing animals with good mobility and wide-hung udders with shiny fore udders. As an additional benefit, he inherits the casein variants A2/A2 and BB and has an unusual aAa code of 264.
