GM: Magalena P

Monarch PP is a homozygous polled sire who represents the breeding goal of dual use in the best sense of the word. Monarch transmits a solid performance with good fitness values and a flawless conformation with very good muscling as well as easy births. In addition, Monarch has excellent meat values with very good net gains (113), excellent slaughter (122) and top meat quality (118). This makes him one of only three PP sires with a TMI over 123 and a beef index of at least 124. The ÖZW is 125.
