Hendrix P

HENDRIX P is a grandson of the famous Hocus Pocus through his father Hephaestus and impresses with enormous percentages of ingredients on his mother's side. The inheritance profile shows Hendrix P with 128 GZW and 127 ÖZW as a good performance sire who can set his highlights in the fitness area. Length of use, vitality, fertility and udder health are rated excellently, with udder health in particular being impressive with a milking rate of 117. The exterior profile is summed up briefly with the term 'functionality'. With 426, Hendrix P has a rarer aAa code and the meat performance is also pleasing. The birth process is easy, Hendrix P can also be used for heifers.
