Villstar Lasse Z PP RF

Lasse Z PP RF is a high PP sire from Switzerland and goes back to the legendary Lylehaven Lila Z EX-94. Lasse is a homozygous polled sire who, due to his alternative pedigree, can be used well on the daughters of P sires that are used in a variety of ways, such as Hotspot P, Mission P, Apoll P, Powerball P and other Earnhardt sons. Lasse convinces with very good udder and feet and legs transmission, high protein values and good fitness with excellent daughter fertility. Lasse also tests A2/A2.
