KNS Berlin P

KNS Berlin P is still one of the highest daughter proven polled sires and, with a pedigree without Lawn Boy P and Mitey P, also has an outcross pedigree. Berlin P transmits very high components and a good conformation with strengths in the body as well as good udder health and a long productive life. Berlin's daughters are characterized by very tightly attached, glandular udders with longer, optimally placed teats. With an RZRobot of 120, it is ideal for AMS farms.
