Sheeran PP RF

Sheeran PP is an absolute polled outcross bull and one of the few homozygous polled sires without Lawn Boy P, Mitey P, Significant P and therefore also without Earnhardt P, Ladd P, Colt P, Style P etc. in the pedigree. Half of his calves are born with the special coloring of the white back markings. He inherits a solid production with very high daughter fertility and consistently above-average health values. Sheeran is testing beta-casein A2/A2.
