HHF Emir P Red

Emir P Red comes from an excellent cow family, which impresses with high lifetime production (M: >60,000kg, GM: >120,000kg, UGM: 98,000kg, each with very good components) and excellent classifications over generations. Emir P Red is NOT out of ET and transmits good production and excellent fitness values with good milkability. In terms of conformation, Emir convinces with good feet and legs and excellent udder transmission. With 125 udder index he is still one of the highest red, polled sires. He is also very well suited for AMS farms (RZRobot 107), can be used with heifers and also convinces with health values. Emir is not from ET.
