CNN Smart

Smart is a very complete sire who goes back to the legendary Wesswood Rudy Missy EX-92 cow family, from which many daughter-proven top sires such as Mogul, Supersire or Sargeant descend. Smart offers good production with high components, excellent conformation with particular strengths in body and udder transmission as well as good fitness and health values. Smart transmits the top combination of kappa-casein BB and beta-casein A2A2.
