GGM: Chiffon EX-90

Soundcheck is the world's second highest son of the Italian bull sire Soundsystem and goes back to the Gold Chip daughter Pencroft-Ammon G Chiffon EX 90. With an RZM of 145, Soundcheck is one of the highest progeny-tested performance sires in the country and he also impresses with positive fitness values and faultless conformation. His daughters convince with a lot of body depth, wider rumps, slightly angled, parallel hind legs as well as high and firmly attached udders. Soundcheck is also a very good inseminator.
