Stammkuh: Regancrest Barbie EX-92

GM: WKM Brilliance VG-85

Barnaby P is a polled outcross sire that can be used on the daughters of most German P sires and goes back to the Regancrest Barbie EX-92 family. Barnaby is an all-round sire and offers high components, very good fitness values with longevity, good udder health and high daughter fertility as well as excellent health values. Barnaby is also one of the highest polled type sires in Germany, with very good udder and feet and legs transmission. With an RZRobot of 109, he is particularly suitable for AMS farms and the No. 1 P sire for this breeding value.
