GG Figaro PP Red

Figaro PP Red is a homozygous polled sire and goes back to Glen Drummond Splendor VG-86 and thus to the very successful family of Sympatico, Durham Red or MR Savage. His granddam TWR Fire P Red produced in 4th lactation. (305): 14,690 kg milk and over 1,000 R+D kg. Figaro himself convinces with a very complete profile with high components, good fitness and health values with very high milkability and good udder health as well as an attractive linear with slightly more angled, completely parallel hind legs with high heels and good movement as well as very high attached udders with longer ones lines placed in the middle. Figaro is suitable for heifer insemination and with a RZRobot of 108 also particularly suitable for AMS farms.

Linear

Merkmal	ZW	Tendenz	88	112	124	Tendenz
Stature	117	small				tall
