Stammkuh: Arron Doon Oswald Twist Lu P VG-85

V-GGM SfH Simba P VG-88

Lexus PP RF is one of only two homozygous polled Skat sons on the market. His dam is a full sister of the bull Lotus PP and goes back to the internationally successful bull dam Arron Doon Twist Lu P VG-85. Lexus PP is one of the highest PP sires in Germany according to RZG and also belongs to the exclusive group of PP sires with 1.825 RZ€. Lexus PP convinces with high components as well as outstanding fitness values with high longevity, very good daughter fertility and persistency as well as good feed efficiency. He passes on a functional conformation without clear weaknesses. Progeny with average size, slightly wider rumps, solid, dry feet & legs and good udders with optimally placed, longer teats can be expected from him. Particularly noteworthy are his consistently very good health values, high calf fitness and very good direct and maternal calving ease. Lexus is also an RF carrier and has the top combination A2A2 and kappa-casein BB.
