Spree PP

Spree PP is one of the few Scott sons on the market and goes back to the Canadian bull dam Arron Doon Twist Lu P from the Locust-Peak Maple Lulu EX-96 cow family via the already daughter-tested performance sire Arrozo and an alternative sire line. Spree PP convinces with high components, very good fitness values with especially high daughter fertility, good health values as well as good body condition (BCS 106). Spree transmits average size, with a little more strength, solid feet & legs and high attached udders with longer teats. Spree PP is AMS suitable and tests beta-casein A2A2.

Linear

Merkmal	ZW	Tendenz	88	112	124	Tendenz
Stature	103	small				tall
