Wolfhard Schulze

GM: Larissa PP VG-87

Major PP RF is one of the very few sbt. Member sons on the market and, like his half-brother Spree PP, has an alternative sire line for polled breeding. Major PP is a very attractive all-rounder with no weaknesses, very good performance with high components, good fitness values with positive milkability and consistently positive health values with particular strength in metabolic stability. In addition, Major passes on an excellent exterior with a lot of frame and strength, with sloping, wide pelvises, parallel legs and high, firmly attached udders. Major is an RF carrier and tests beta-casein A2A2 and kappa-casein BB.

Linear

Merkmal	ZW	Tendenz	88	112	124	Tendenz
Stature	120	small				tall
