## IHC Bonni Tyler - V: Bolero Red

Wolfhard Schulze

Tochter: IHC Bonni Tyler VG 85

HOR Bolero Red

Bolero Red has been at a high level for years and is by far the oldest bull among the top 10 daughter-proven Rbt. sires in Germany and also in Poland, where he was used a lot, he is among the top 5 of the top list. Bolero has an alternative pedigree for Red Holstein breeding and inherits high production with excellent protein values. In addition, he convinces with very good daughter fertility, a decent longevity and a functional conformation with very good feet and legs inheritance. Bolero is good for heifer insemination and tests beta-casein A2/A2. The daughters who have calved in the meantime show the expected willingness to perform with very good milkability (according to reports from practice) and have a conformation that leaves nothing to be desired, as a prime example the Bolero - daughter IHC Bonni Tyler VG 85 (84/86/84 /86) as third in class at the RSH - Show in Neumünster convinced! The daughters are now in their second lactation and have developed into strong, wide and open bodied, hard working, milking cows.
