Barcelona P RF

Barcelona P RF is a Battlecry son and currently THE outcross sire for polled breeding, as he has the polled gene from an alternative bloodline - without Lawn Boy P, Mitey P, Significant P and therefore also without Earnhardt P, Ladd P, Colt P, Style P etc in the pedigree. Barcelona P inherits very high components, an excellent conformation with very good udder and feet and legs transmission as well as good udder health and a high longevity. With a RZRobot of 110, Barcelona P is particularly suitable for AMS farms and tests beta-casein A2/A2
