Wil Ryan Red

Ryan Red is a son of the internationally successful top sire Ranger Red as well as the dam from a well established cow family from the Holtkamp breeding farm. Ryan belongs to the top of the German RW sires according to RZG and RZ€. He convinces by high components, a balanced conformation with average size, faultless foundations and very good udder heredity. Particularly noteworthy, however, are his excellent fitness and health values. He is the only RW Sire with at least 132 RZN, 135 RZS and 128 RZGesund. In addition, with a very high RZÖko of 143, he is currently the No.6 RW sire in Germany. Ryan can also be used very well on heifers and he tests kappa-casein BB. Sexed semen available.
