SHV Malaga Red

SHV Malaga Red from the successful Schwengers breeding farm is currently the No. 1 rbt. Sire of the German top list! Malaga goes back through three generations of VG classified dams to his great-granddam Mission Missy VG-89, who gave over 1,200 fat and protein kg in her third lactation.

Malaga himself is by far the highest red production sire worldwide according to RZM with +160 F&E kg. In addition, Malaga convinces with good health values and excellent conformation with wider rumps as well as very good feet&legs and udder inheritance. Malaga also passes on very good maternal calving traits, he is a carrier of the top combination beta-casein A2A2 and kappa-casein BB and can be used very well on heifers.
