Santano

Santano is the No. 1 Slate son in Germany and goes back to the famous family of Sully Shottle May EX-90, from which such well-known bulls as McCutchen, Meridian and Mahuva descend. Santano's sire Slate is a Mogul son from the Snow-N Denises Dellia family and is not available in Europe. Santano transmits good production with positive components and excellent conformation as well as good udder health and longevity. Despite his age, Santano is one of the highest German sires for Mortellaro resilience (DD Control 113) and impresses with an RZhealth of 109. Santano's calves are born easily.
