V-6M Cookiecutter MOM Halo VG-88

Wolfhard Schulze

Mutter: Danhof Gameday Geiles Gerät VG-85

Bergamo is the highest Bosvito son available by US breeding value. Bosvito has a remarkable pedigree, his dam is an EX-92 Legacy x EX-90 Reason x EX-91 Rubicon, which goes back to the extremely successful Cookiecutter MOM Halo VG-88. On the dam's side, the Gameday daughter Danhof DG Geiles Gerät VG-85 (86 udder/86 feet & legs) is one of the highlights of the German Master Sale 2022. Bergamo convinces with a very good performance with extremely high components as well as a high longevity, very good health values and an attractive conformation with moderate size, solid feet & legs and very good udder inheritance.
